

HYUNDAI

Navodila za uporabnike

Glavna naprava v vozilu

Verzija: 2.1

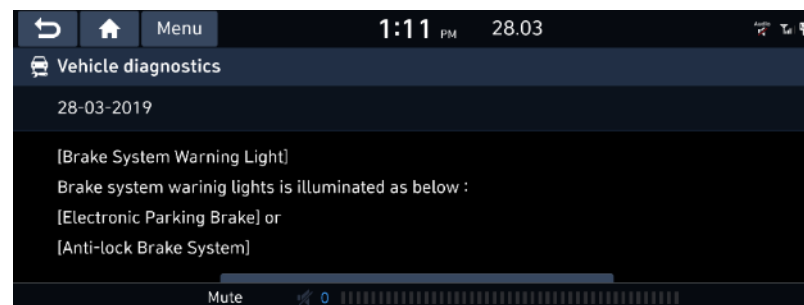

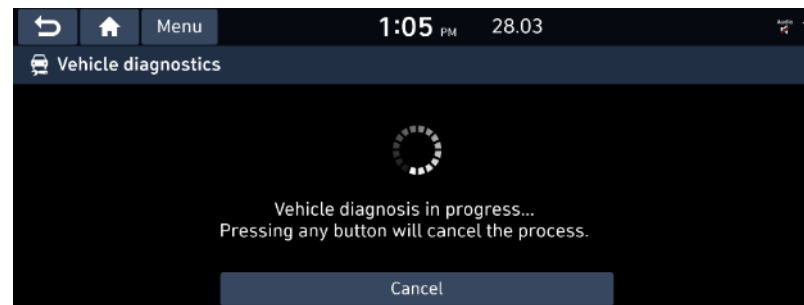

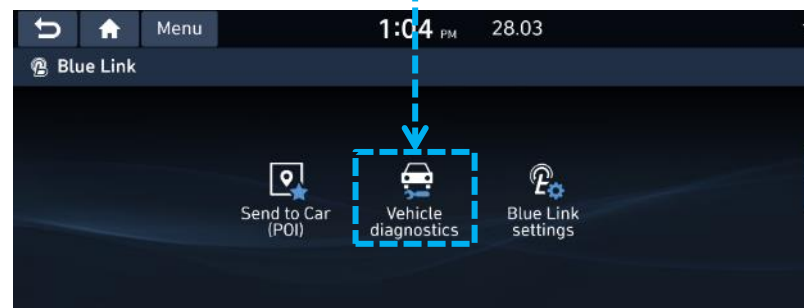

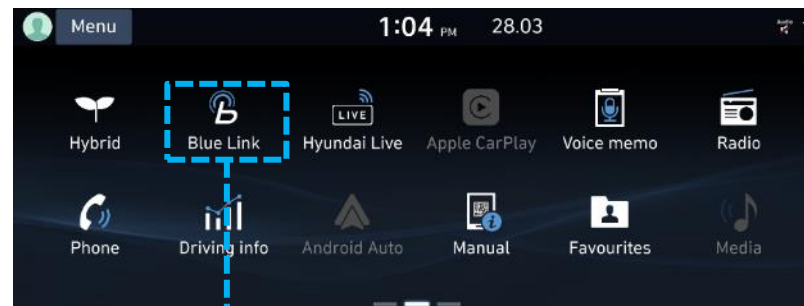

Zahtevani operacijski sistem:

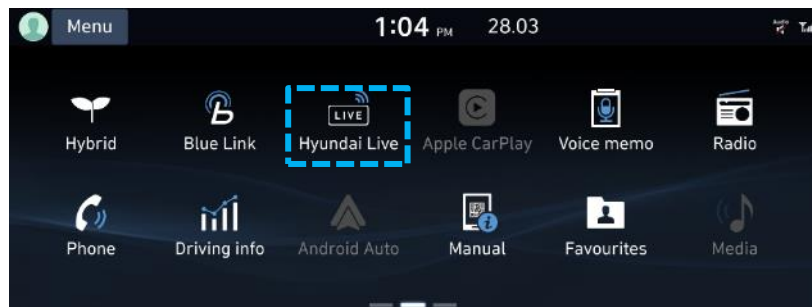

- Android: 4.4-10.x
- iOS: 8-12

Preden lahko uporabite katero koli storitev, mora biti Bluelink aktiviran preko **glavne enote v vozilu** (navigacijska naprava). Na voljo vam bodo storitve **Hyundai LIVE & Spletna prepoznavna glas** (na nekaterih trgih).

Za uporabo **ostalih storitev**, kot so storitve na daljavo ali najdi moje vozilo / pošlji v avtomobil, potrebujete **Bluelink aplikacijo**.

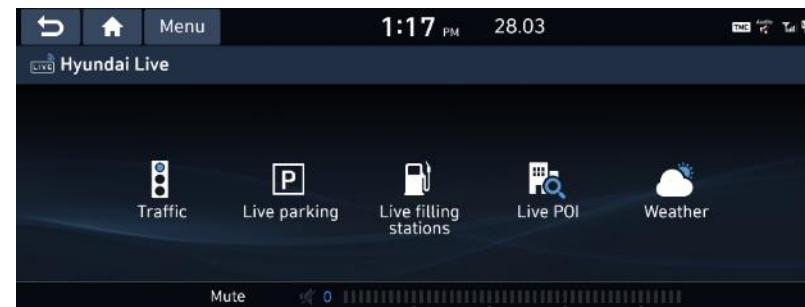

Na voljo je v trgovini **Google Play / Apple App Store**.
